

CDM and Africa | STATUS OF WORK

Daniele Violetti

Team Leader, CDM Registration and Issuance

UNFCCC Secretariat

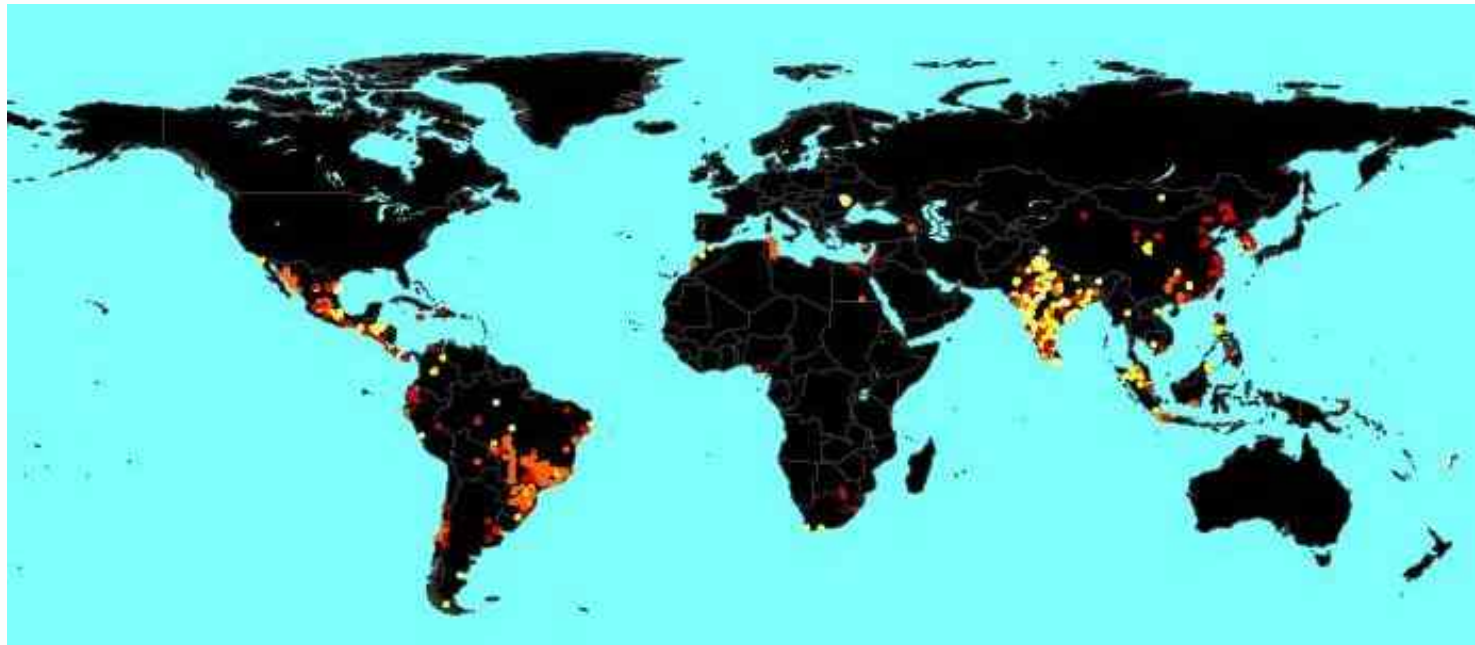

GFSE 6 – Vienna, 30 November 2006

CLEAN DEVELOPMENT MECHANISM | SCORE BOARD

421 CDM project activities
104 million CERs expected annually
680 million CERs expected by the end of 2012

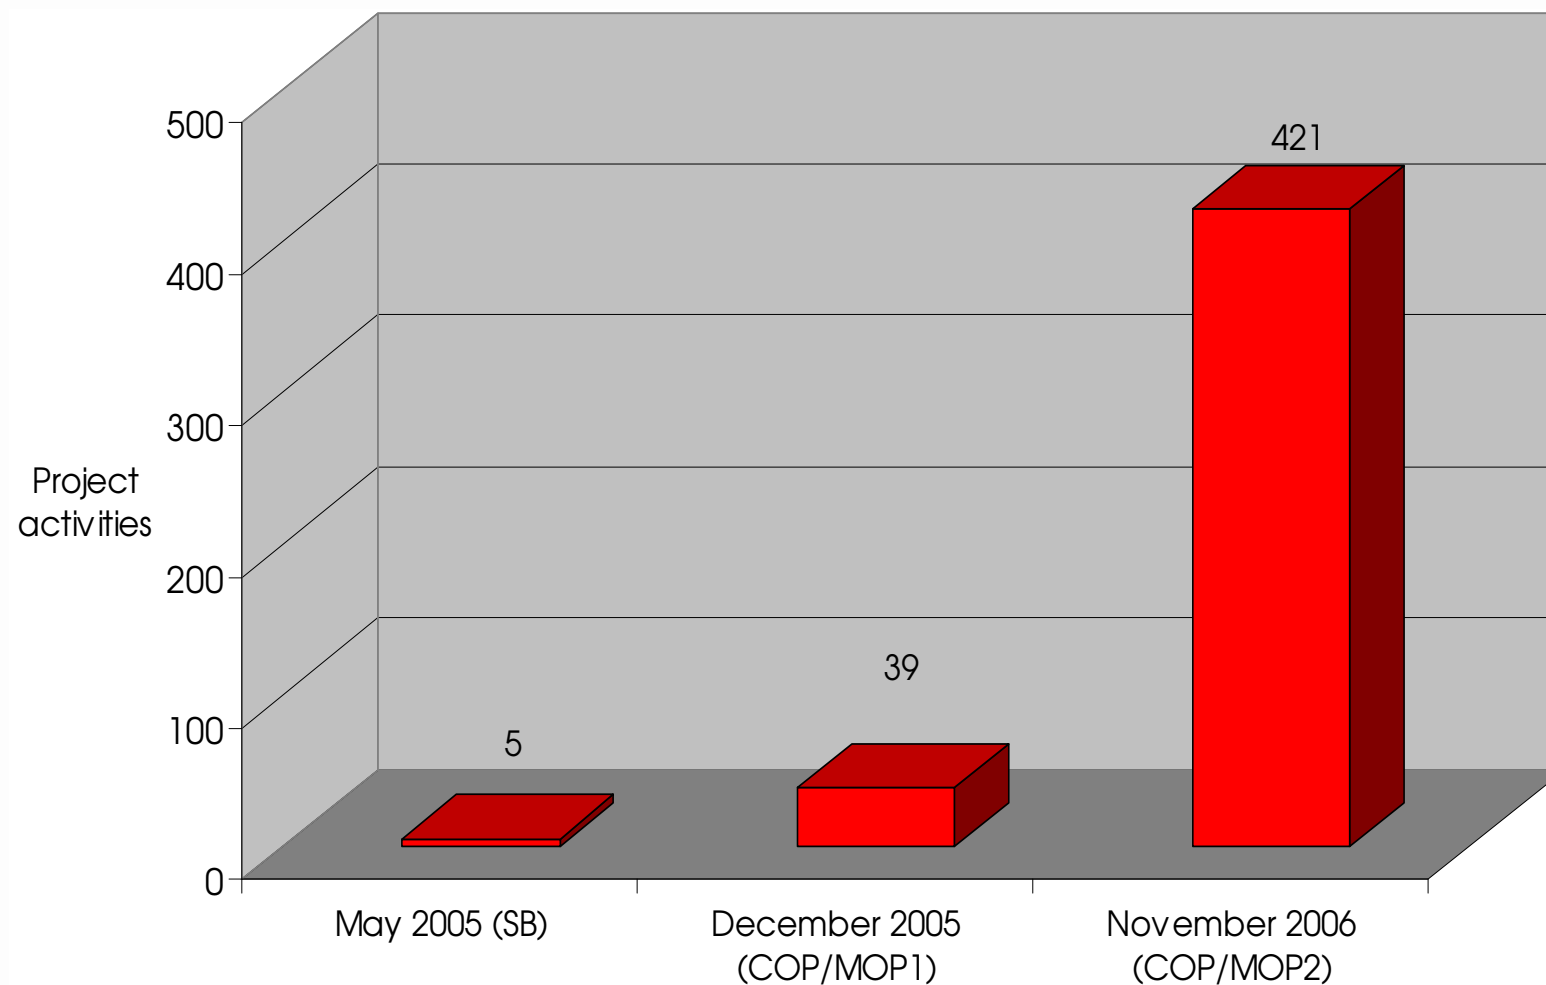

+53 Project activities requesting registration
108 million CERs expected annually
700 million CERs expected by the end of 2012

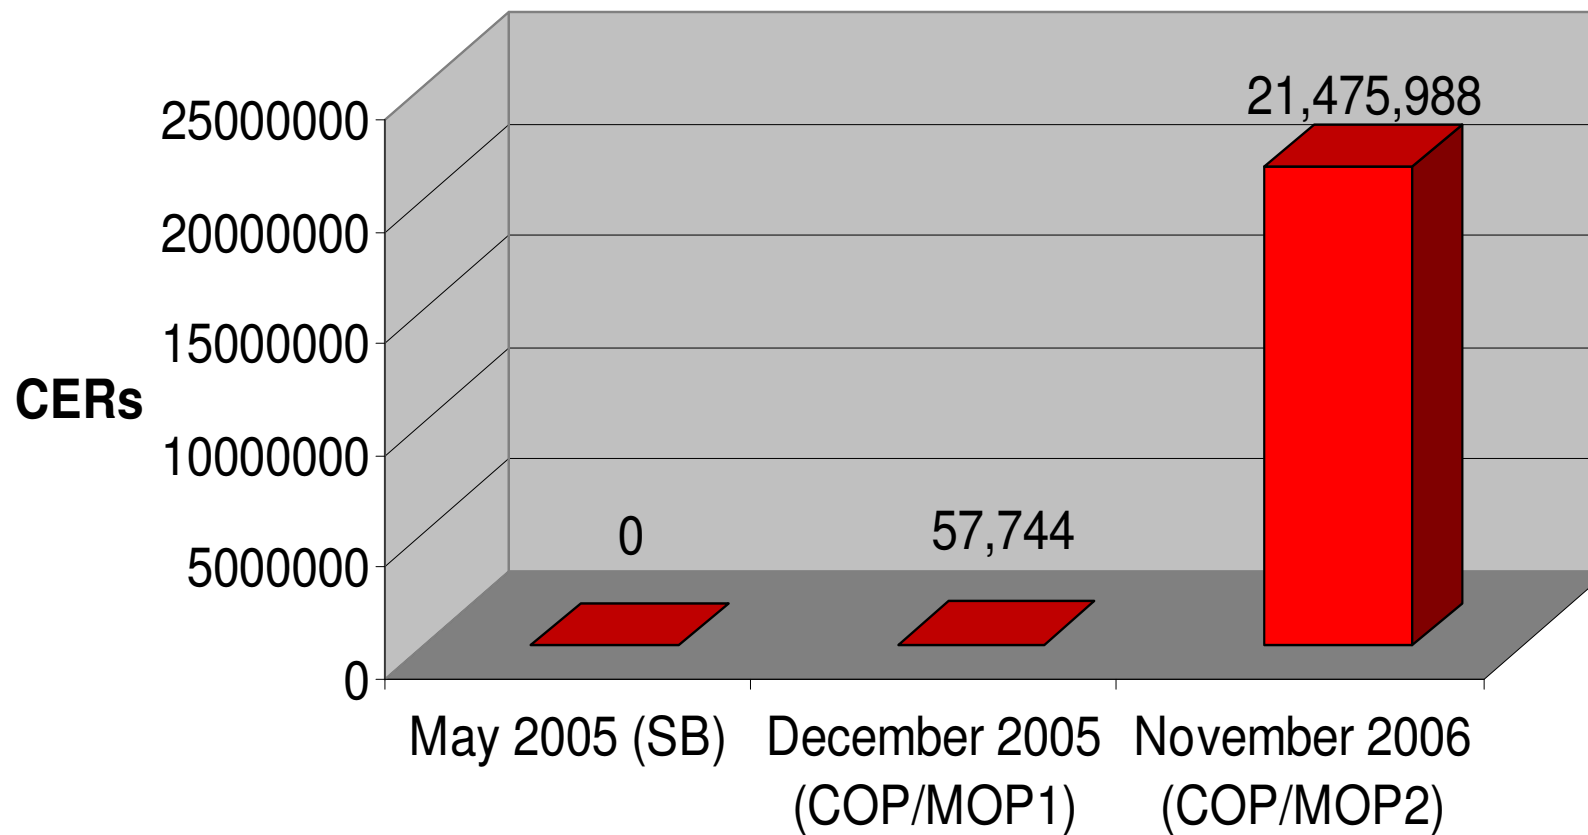

More than 1,400 activities in the CDM pipeline (incl. above)
More than 1,650 million CERs expected by the end of 2012
(assuming all activities simultaneously deliver their expected annual average emission reductions and there are no extensions of crediting periods)

Map and statistics accessible from <http://cdm.unfccc.int>

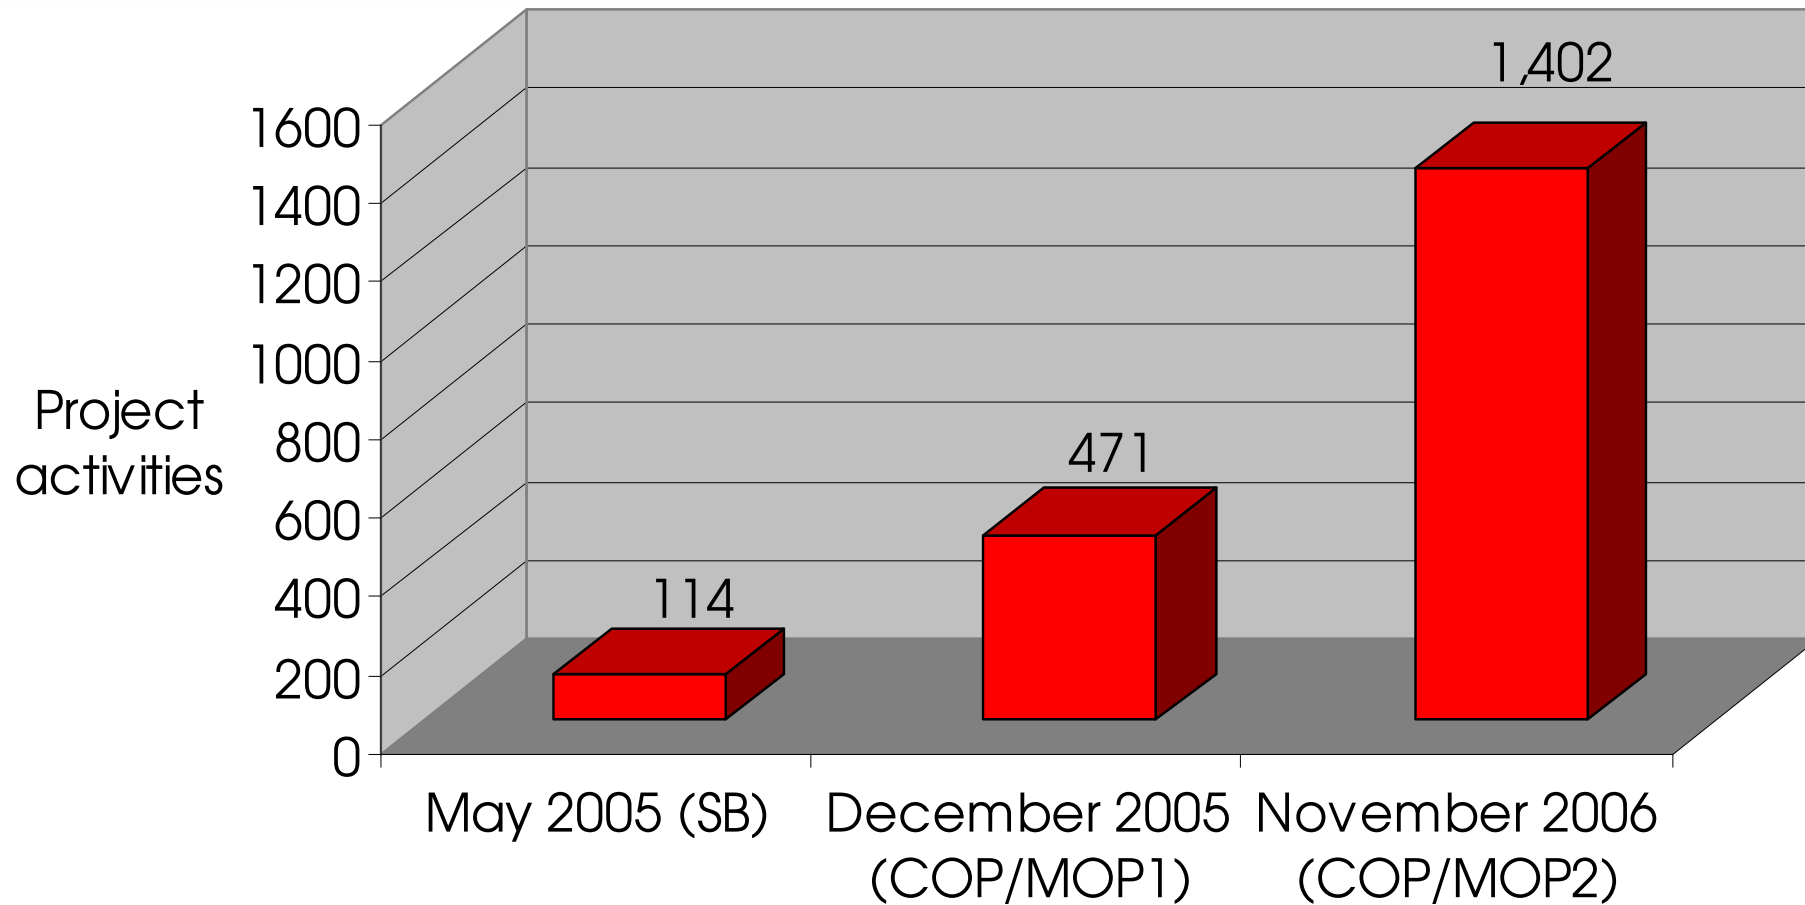

CDM PROJECT ACTIVITY REGISTRATIONS | EVOLUTION

ISSUANCE OF CERS | EVOLUTION

CDM PIPELINE | EVOLUTION

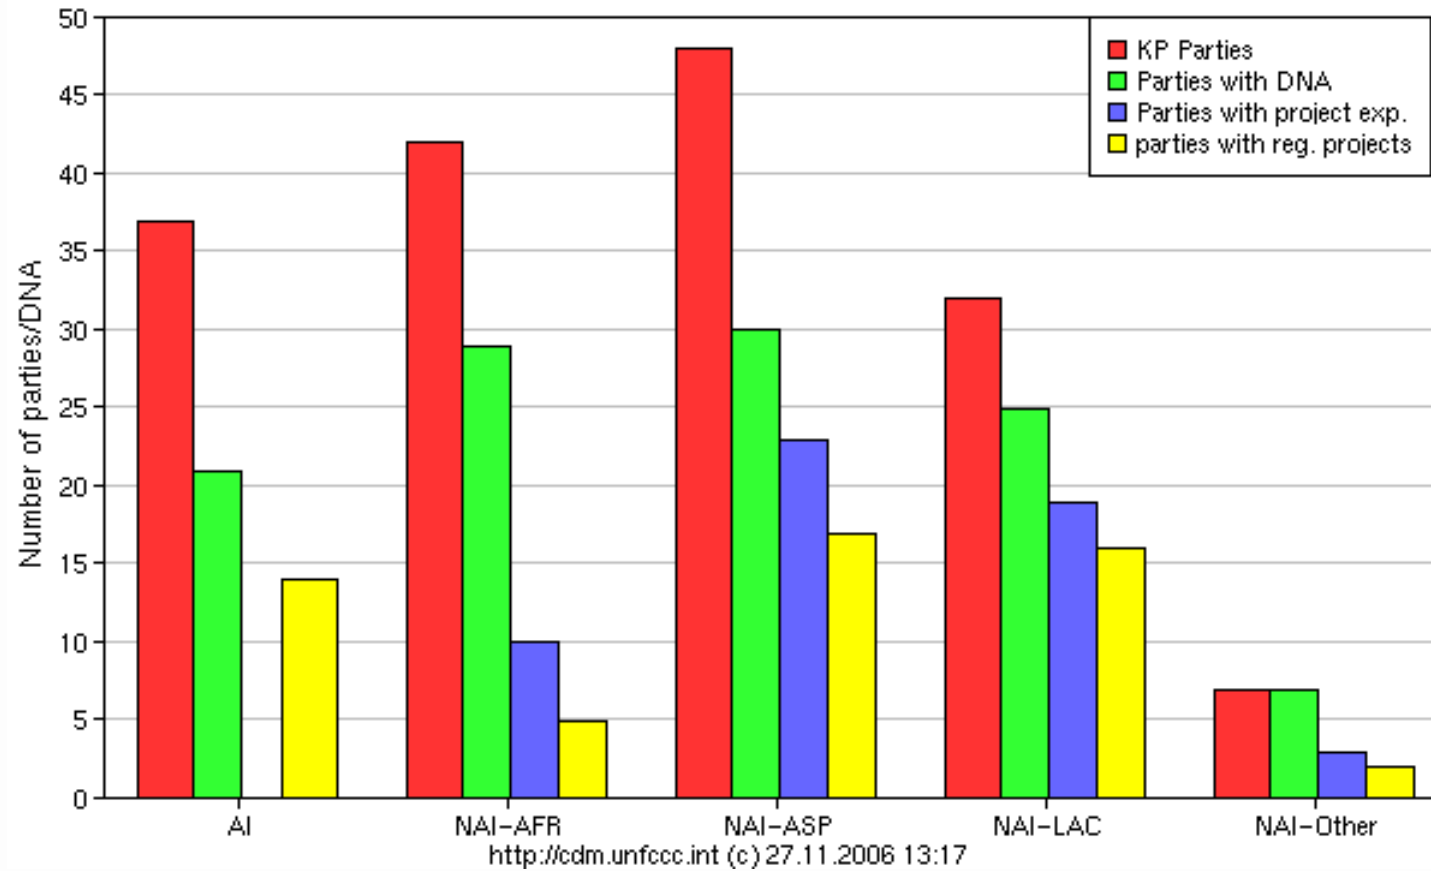

* counts projects in all CDM project cycle stages from validation to registered

NUMBER OF PARTIES | DNA

Number of parties/DNA by region.

OVERALL CDM PERSPECTIVE | AFRICAN REGION

	Total number	Number in African region	Percentage
Registered CDM project activities	421	11	2.61%
CDM project activities at validation	1402	35	2.50%
Designated National Authorities	112	29	25.89%
Designated Operational Entities	17	1	5.89%

07 Oct 06	Catalytic N ₂ O destruction project in the tail gas of the Nitric Acid Plant of Abu Qir Fertilizer Co.	Egypt
09 Nov 06	Recovery of associated gas that would otherwise be flared at Kwale oil-gas processing plant, Nigeria	Nigeria
23 Nov 06	Landfill Gas Recovery and Flaring for 9 bundled landfills in Tunisia	Tunisia

REGIONAL DISTRIBUTION | DNA FORUM

Regional distribution and capacity-building

- 1) EB requested public input in addition to the COP/MOP request to Parties to provide input
- 2) EB to report on distribution and on inputs on options to address systematic or systemic barriers to equitable distribution
- 3) CDM information system provides on-line overview on status of regional distribution of registered activities
- 4) Recommendation contained in addendum to EB report to CMP

DNA Forum

- 1) Established
- 2) First meeting took place on 27-28 October 2006
- 3) DNAs elected co-chairs supported by a committee of 5 DNA representatives
- 4) First interaction with EB took place on 28 October

REGIONAL DISTRIBUTION | COP/MOP 2

- 1) Recognized existing barriers, in particular the financial, technical and institutional
- 2) Emphasized that further efforts are necessary and encouraged Annex I Parties to consider further initiatives for the development of CDM project activities, in particular in Africa
- 3) Encouraged the Executive Board to continue to facilitate the regional distribution of project activities
- 4) Welcomed the “Nairobi Framework” announced by the SG, to catalyze CDM in Africa
- 5) Welcomed the “CDM Bazaar” and requested its launch
- 6) Continue the DNA forum process, with two planned meetings per year, to share information and experiences
- 7) Encouraged South-South cooperation and financial institutions, the public and private sector to consider further options for investment in CDM, in particular in Africa

Questions |

1) Why?

2) What?

3) How?

4) When?
